The following additional changes are recommended:

1. DCID 3/1. Revise Paragraph 2 a (1) as follows:

"- - - and particular aspects of economic strengths or weaknesses directly related to military capabilities is the responsibility of the Departments-~~of~~-Army, Navy-and-Air-Force of Defense.

2. DCID 1/5. Revise last sentence of Paragraph D as follows:

"The Center will be headed by a Director to be provided by CIA and staffed with professional intelligence and administrative personnel furnished by the-~~USIB-members~~ participating agencies."

It is noted that certain DCIDs (e.g. 2/2 and 5/5) use "may" rather than "shall" to describe the composition of the membership. You may want to consider using "shall" throughout for uniformity.
